

**“The concept of ‘environmentally
conscious’ today, is what DEI was
10 years ago.**

We need to get on it now.”

*Carlos Calderon
President/CEO*

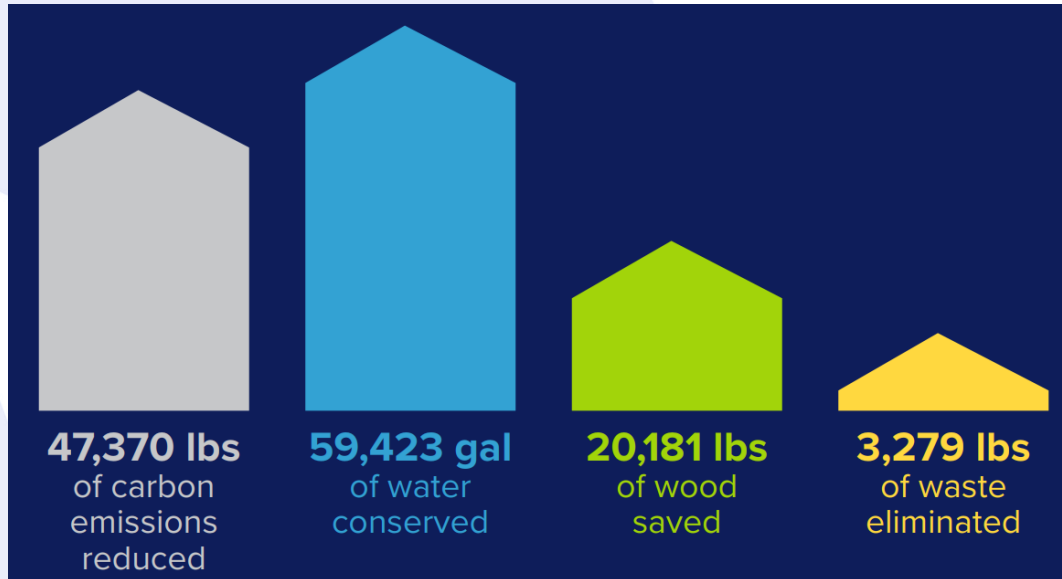

Sustainability and innovation are shaping the direction of financial services.

We believe that TECHNOLOGY, ENVIRONMENTALLY RESPONSIBLE PRACTICES, and our FINANCIAL SOLUTIONS fit together perfectly, like pieces of a puzzle.

- **Strengthening our commitment to the environment.**
- **Enhancing the well-being of the communities we serve.**
- **Ensuring a more sustainable and innovative tomorrow for everyone.**

Our Commitment to Sustainability Adds Up

We're now producing less printed material. When we do print, we work to reduce our impact.

Implementing online applications helped us increase efficiency.

Our Commitment to Sustainability Adds Up

In 2023, we planted 3,000 trees – one for every enrollment in eStatements.

This year we will plant at least 1,386 trees!
